

UNCLE “BUN”

WANTS YOU!

July 4, 9-11 am Northwest Hills

Bring your buns and join us as we muster up another “**21 Bun Salute**” entry in the 2010 Northwest Austin Civic Association’s 4th of July Parade. We’ve been invited back to the North West Hills neighborhood parade location!

This parade ends at Doss Elementary School where we’ll have our HRRN information table and pens set up to relax and enjoy the festivities under a tent. This association is hoping to have us join them again this year! They said we were the “highlight” of the parade last year and they intend to use photos to promote their parade!

So...find a pet stroller or borrow a child’s wagon and decorate your “abbit “ride”.

These 4th of July parades are tons of fun and we’d love to show this neighborhood that bunnies are the coolest pets around! We’re hoping for 21 (or more) HRRN rabbits and their owners to come out for this event!

Start collecting your decorations now! Big Lots, Dollar Store and Hobby Lobby have everything you need. Call me!
