

HRRN 2018 Holiday Fund Appeal

Dear Bunny Friend,

Can you believe that HRRN has been rescuing, rehabilitating and re-homing the rabbits of Central Texas for 25 years? This year has been one of our most stressful. We took a leap of faith and began a much needed major renovation and expansion of our shelter. The expansion included a large, new Bunny Boutique to provide bunny lovers the best products to keep their "fur kids" happy, while providing much needed income to fund our shelter. HRRN volunteers now have a new area to relax as they work to keep our shelter hopping.

Despite the construction, we have already placed 159 bunnies in forever homes this year. Providing shelter, food and medical care for our rabbits is expensive. In 2018, our vet bill was over \$52,000.

As we look forward to the next 25 years, we ask that you please make a year end donation so we can continue this vital work.

Donations to HRRN are tax-deductible.

Without your financial support, our efforts to rescue and re-home abandoned rabbits would not be possible. Your kindness gives them a second chance at finding a permanent and loving home.

Brockman's Story

Brockman was in rough shape when he was found as a stray in a neighborhood in July 2018. Living on the streets, he suffered from itchy ear mites, intestinal parasites and abscesses in his bones.

It took three treatments to take care of the live mites, eggs and intestinal parasites. He had bone density issues in his rear legs which could have been from an old break or more likely caused by a bone infection.

Brockman's current treatment plan is that he will be on meds another 3 weeks, then he will be taken back in for x-rays after the New Year to make sure that things aren't getting worse.

Total cost so far: \$550

Thank you to all our volunteers and donors.
